

To all applicants of water crystal photograph use

Please note that the copyrights to all the water crystal photographs belong to Office Masaru Emoto, LLC.

If you would like to use water crystal photographs in your seminar slides or printed materials such as magazines or newsletters for non-profit and educational purpose, please follow the instruction below. In recent years, we are delighted to be receiving many requests for the usage of the water crystal photographs by the people who have shown interest and resonated with the messages coming through these images. We would like to take this opportunity to show our gratitude.

How to make an application for the use of water crystal photographs

1. Please fill out the agreement and send it by fax to +81-3-3866-5353.
2. Please make sure to send an email to copyright2@hado.com to notify us that you have sent the agreement.
3. On receiving the agreement and email, we will send an email to you on how to process the payment. Please pay 50 US dollar per one crystal photograph.
 - * 100% of this usage fee goes to support the EMOTO PROJECT (to send 650 million water crystal photograph picture books to children all over the world) that Dr. Emoto proposed. Your understanding and support is much appreciated.For more information on EMOTO PROJECT, please see:
<http://www.emotoproject.org>
4. When we confirm the payment, we provide you with the water crystal photographs you requested. When you use it on prints (e.g. magazines, newsletters), please display the common identification number of ome99999B222 with the water crystal photographs.

Amendments

We do not give permission to use water crystal photographs on any website.

If you would like to use the water crystal photograph in any way other than what is stated in the Agreement, please contact copyright2@hado.com

We do provide other water crystal photographs that are not included the list below for a fee. You will be required to fill out another application form separate from this one, so please contact copyright2@hado.com.

Agreement

1. I agree not to use the water crystal photographs for any commercial, for-profit purpose, including for the sales of certain products.
2. I agree that the water crystal photographs will only be used in printed materials that are introducing Dr. Emoto's work and/or the water crystal photography technique.
3. I agree that I will use the water crystal photographs for educational purpose.
4. I agree that I will not alter or physically transform the water crystal photographs.
5. I agree that the copyright mark and the identification number will be clearly visible when using the water crystal photographs.
6. I agree that I will not use water crystal photographs to harm or endanger the reputation of Office Masaru Emoto, LLC. or Dr. Masaru Emoto.

By signing this form and using any of the water crystal photographs listed below, I state my full understanding and agreement to the six points above.
